### MEDSURG Nursing 2002 Subject Index

#### Advanced Practice

- Genetically Modified Foods: A Taste of the Future, 242
- Pharmacogenomics: An Evolving Paradigm for Drug Therapy, 122

#### From AMSN

- AMSN Salutes Military Nurses, 57
- Chapters Are Key to AMSN's Success, 5
- Competency to the Care of Older Patients, 109
- Nurses Nurturing Nurses, 161
- Reaching New Heights in Medical-Surgical Nursing, 213

#### Best Practice

- Is Gastric Occult Blood Analysis Affecting Patient Care Delivery?, 30

#### Cardiovascular/Pulmonary Physiology

- Current Concepts and Pharmacologic Treatment of Heart Failure, 71
- Gender and Acute Myocardial Infarction Symptoms, 126
- Graduated Compression Stockings: Updating Practice, Improving Compliance, 163
- Perspectives of Caregivers of Stroke Survivors: Implications for Nursing, 289

#### Catheterization

- Evidence-Based Multidisciplinary Practice: Improving the Safety and Standards of Male Bladder Catheterization, 236

#### Clinical Practice

- Genetics in Transplantation, 91
- Mitochondrial Disorders: A Clinician's Primer, 25
- Morbid Obesity: A Nursing Care Challenge, 85
- New Advances in Treating Osteoporotic Compression Fractures, 251
- Rhabdomyolysis: The Hidden Killer, 138
- Sexual Unattractiveness: A Patient's Story, 95

#### Continuing Education

- Conservative Management of GERD: A Case Study, 169
- Current Concepts and Pharmacologic Treatment of Heart Failure, 71
- Dementia in the New Millennium, 61
- Diabetes Expertise: A Subspecialty on a General Medical Unit, 281
- Graduated Compression Stockings: Updating Practice, Improving Compliance, 163
- Necrotizing Fasciitis: A Model Nursing Care Plan, 37
- Necrotizing Fasciitis: Pathophysiology and Treatment, 33
- Preventing and Managing Dehydration, 267
- Preventing and Treating Meningococcal Meningitis, 9
- Understanding Tumor-Induced Weight Loss, 215
- The West Nile Virus, 112

#### Dehydration

- Preventing and Managing Dehydration, 267

#### Diabetes

- Diabetes Expertise: A Subspecialty on a General Medical Unit, 281

#### Evidence-Based Practice

- Evidence-Based Multidisciplinary Practice: Improving the Safety and Standards of Male Bladder Catheterization, 236
- Teaching Staff a Brief Cognitive-Behavioral Intervention, 144

#### GERD

- Conservative Management of GERD: A Case Study, 169

#### Health Care Delivery

- Conflict in Fiduciary Duty Involving Health Care Error Reporting, 187
- Genetic Advances in Coronary Artery Disease, 296
- Morbid Obesity: A Nursing Care Challenge, 85
- Necrotizing Fasciitis: A Model Nursing Care Plan, 37
- Necrotizing Fasciitis: Pathophysiology and Treatment, 33
- Perspectives of Caregivers of Stroke Survivors: Implications for Nursing, 289
- Teaching Staff a Brief Cognitive-Behavioral Intervention, 144

### **Infection Control**

Necrotizing Fasciitis: A Model Nursing Care Plan, 37  
Necrotizing Fasciitis: Pathophysiology and Treatment, 33  
The West Nile Virus, 112

### **ISONG News**

46, 103, 152, 198, 257, 305

### **Medical Nursing**

Conservative Management of GERD: A Case Study, 169  
Evidence-Based Multidisciplinary Practice: Improving the Safety and Standards of Male Bladder Catheterization, 236  
Is Gastric Occult Blood Analysis Affecting Patient Care Delivery?, 30  
Thyroidectomy: Understanding the Potential for Complications, 228

### **Meningitis**

Preventing and Treating Meningococcal Meningitis, 9

### **Nursing in Genetics**

Genetics in Transplantation, 91  
Genetic Advances in Coronary Artery Disease, 296  
Genetically Modified Foods: A Taste of the Future, 242  
Mitochondrial Disorders: A Clinician's Primer, 25  
Pharmacogenomics: An Evolving Paradigm for Drug Therapy, 122  
Women's Decisions Regarding Management of Breast Cancer Risk, 183

### **Nursing in the Military**

Editorial: Saluting Our Heroes, 162  
From AMSN: AMSN Salutes Military Nurses, 57  
Medical-Surgical Nursing in the Deployed Environment, 254  
Medical-Surgical Nurses in the Military, 203
